VIVOTEK is Honored with the 15th Taiwan MOEA "Industrial Technology Advancement Award-- Excellent Enterprise Innovation Award"

Technology Night -
MOEA's Joint Awards Presentation Ceremony

In order to inspire more innovation and enhance competitiveness of domestic industries, Taiwan MOEA sets up the annual "Industrial Technology Advancement Award" to honor those excellent enterprises and individuals who have made valuable contributions in this field. VIVOTEK, as a new participant, has an outstanding performance among those strong competitors, which is really worth of commendation. The criteria of the technology awards focus on the integral R&D performance of the entire enterprise ... [See More](#)
