VIVOTEK Granted the 16th Taiwan SMEA "National Outstanding SMEs Award"

With great honor, VIVOTEK is so pleased to announce its receiving of the 16th Taiwan National Outstanding Small and Medium Enterprises (SMEs) Award, the highest honorary recognition for SMEs in Taiwan. The awardees were all praised by Taiwan's Vice President on the award ceremony held at the Grand Hyatt Taipei Hotel on October 30, 2007...[See More](#)

VIVOTEK Progressive Scan CCD Network Camera - IP7151/IP7152

VIVOTEK IP7151/IP7152, equipped with a progressive scan CCD sensor, delivers superior-quality, crystal-clear video for professional surveillance applications such as monitoring banks, airports, parking lots, and traffic control, etc. It can capture razor-sharp, clear, and high-resolution images of moving objects that traditional interlaced-scan techniques can not achieve...[See More](#)

2007

We truly appreciate your time to have dropped by our booth during Nov. 1st~4th at the CPSE 2007, held in Shenzhen, China. With the wide range of latest product lines, VIVOTEK had a very strong presence in this show. VIVOTEK will take all comments from visitors into consideration and continue to make improvements. If you would like to know more about our products, please contact us at sales@vivotek.com or visit our website at <http://www.vivotek.com>.
